We meet for a 4 to 5 mile walk (lasting 2 – 2 ½ hours) in the New Forest on the second and fourth Wednesday of each month.

Forestry England regulations dictate that we cannot have more than 25 people on each walk. In order to facilitate this we have changed our programme so the same walk is repeated on the 2nd and 4th Wednesday and we respectfully ask that you join us for just one walk each month.

International Dawn Chorus Day Sunday 4th May 2025

The dawn chorus is the symphony of song performed by birds looking for love, and to defend their patch. In spring, as the days lengthen, birds start to think about the need to breed, and for many male birds, this means belting out the well-worn but wonderful classics to try and attract females.
